HEALTHCARE PROVIDER STATEMENT DURING COVID 19 RESTRICTIONS

PediCare Nursing Agency provides in home nursing care to chronically ill children. These nursing services are essential to the welfare and health of our patients. Our services are provided by Registered Nurses (RN) and Licensed Practical Nurses (LPN). They cover shifts at all times of day and night. It is necessary for them to travel in their personal vehicle during hours that are currently restricted to the public. Nurses should also have a copy of their Mississippi nursing license available for viewing.
